## Fraser Valley Pool League 2009-2010

<b>List of qualified Spares for Team Playoffs</b>
---

RE: page 20 of the Fraser Valley Pool League, Players Handbook 2009-2010

3 A. Any spares must have played at least 4 times for one team or 6 times for the league in a current season to qualify to play in the playoffs.

***If the spare has only played 4 times for one team*** then that spare is ***only eligible to play for that team during the playoffs.*** If a spare has played 6 times for the league (whether it be 6 times for one team or once for 6 teams, that spare is qualified to spare for any team during the playoffs.

However, if a spare that has qualified for playoffs and is playing for a team that gets knocked out, then the spare is also knocked out. Neither a league player nor a qualified spare is allowed to play for another team during playoffs once your team has been knocked out.

### Once you're out your out
